PROFILE

Enthusiastic and hard-working music therapist with 20+ years of experience in performing, songwriting, and music teaching. With aspirations to become a software developer, I will complete the General Assembly Software Engineering Immersive Program in April 2022. My goal is to combine my love of learning, music, helping others, and my new-found passion in technology into a new rewarding and fulfilling career.

SKILLS

- HTML, CSS, Javascript, WordPress
- Administrative skills, social media management and content creation

CAREER SUMMARY

MUSIC THERAPIST AND COMMUNICATIONS, ST. MICHAEL'S CENTRE EXTENDED CARE

NOVEMBER 2019 - FEBRUARY 2022

- Music therapy assessments based on residents' needs, preferences and goals.
- Create and facilitate individual and group music therapy programs for seniors living in long term care.
- Document residents' responses to music therapy programs and evaluate efficacy of programs.
- Sent weekly (daily during our COVID-19 outbreak) email updates for families and staff on behalf of the CEO and clinical leadership team.
- Oriented public health immunizers, organized resident vaccinations, and facilitated weekly staff PCR tests.

MUSIC THERAPIST, RISE MUSIC THERAPY (FOUNDER) 2018 - PRESENT

- Created my own music therapy company and offered music therapy programs for individuals and groups online and in-person. My populations included seniors, children, and adults with chronic mental illness.

ADMINISTRATIVE ASSISTANT/RECEPTIONIST, KERRISDALE NOTARY & MICHELLE BROUGHTON NOTARY PUBLIC JUNE 2017 - AUGUST 2017, SEPTEMBER 2013 - AUGUST 2015

- Assisted with conveyancing, bank deposits, and made and answered client calls. I was responsible for creating new files, and liaising with clients, litigators, and banks.

MUSIC MANAGEMENT, SINGER-SONGWRITER, AND PERFORMER 2010 - PRESENT

- Organize show dates and tours and communicate with show promoters.
- Create promotional content for websites and social media pages.
- Curated music livestreams on Sessions Live in home studio.
- Recorded and released two EP's and two singles as a solo artist and with a band.
- Live music performer of originals and creative covers, guitar and piano player.
